

# Catholic Charities Atlanta Leadership Class 2018

## MENTOR PROGRAM

The mission of the Catholic Charities Atlanta Leadership Class is to help Catholic men and women grow spiritually and professionally as servant leaders through educational events, service opportunities, networking, mentoring and fundraising with Catholic Charities Atlanta.

Our goal for class members is to cultivate their spiritual and professional growth as servant leaders and to inspire the class member's lifetime engagement with Catholic Charities Atlanta through continued commitment of their time, treasure and talent.

### Mentor Role

Mentors serve as guides in support of class members as they continue in their spiritual and professional growth as servant leaders beyond graduation. Throughout the five-month class experience, class members learn about various aspects of servant leadership from respected Catholic thought leaders.

In addition, class members demonstrate their servant leadership abilities in direct service to CCA through hands-on volunteering experiences and service opportunities, as well as through fundraising \$1500+ on behalf of CCA.

The mentor plays a vital role in sustaining the class member's transformation while also inspiring them to actively demonstrate servant leadership in all aspects of their lives, and hopefully through lifetime engagement with Catholic Charities Atlanta.

# CATHOLIC CHARITIES ATLANTA LEADERSHIP CLASS

## Mentor Commitment

Mentors must participate in the mentorship orientation in late October or early November 2018 to meet the class member with whom he/she has been matched. Mentors must also agree to serve as a mentor for that class member from January through September 2019. Mentors are encouraged to meet and build relationships with class members by attending at least two program events during the five-month program between August 2018 – January 2019.

While the mentor and class member will design specific goals to serve the class member in the mentor relationship, typical topics include:

- Being a Servant Leader Personally and Professionally
- Charting a Personal Spiritual Path
- Being Catholic in a Secular World
- Work / Life Balance
- Engaging More in the Church and Catholic Community

***“I have had 2 meetings with my mentee and I can already tell this will be a transformative experience professionally and personally. To see such spiritual growth confirms my commitment to CCLC.”***
