## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Catholic Charities of the Archdiocese of Atlanta, Inc.  
Atlanta, Georgia

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Catholic Charities of the Archdiocese of Atlanta, Inc. (the "Organization" or "CCA") which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of the Archdiocese of Atlanta, Inc. as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

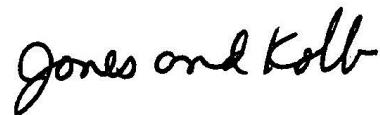

### ***Other Matters***

#### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 5, 2018, on our consideration of Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control over financial reporting and compliance.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2017 AND 2016**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A. Catholic Charities of the Archdiocese of Atlanta, Inc. (the "Organization" or "CCA") is a voluntary health and welfare organization established by the Catholic Archdiocese of Atlanta (the "Archdiocese") as an independent juridical entity pursuant to the Code of Canon Law of the Roman Catholic Church. The Archbishop of the Archdiocese has been designated as the sole member of the corporation and is responsible for, among other things, appointing members of the Board of Directors and selecting officers of the corporation. The Organization qualifies as a non-profit organization within the meaning of Section 501(c)(3) of the Internal Revenue Code.

Since 1953, CCA has been providing help and creating hope for those in need through professional services that help eliminate barriers to self-sufficiency, stabilize families and transform lives. CCA serves those in need regardless of their religion and tailors services to the unique circumstances of the people served. CCA's strategic intent is to build bridges of hope, mercy and understanding. The Organization is supported through grants, contributions and in-kind donations from public and private donors and the Archdiocese.

B. The accompanying financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

C. The Organization classifies net assets and revenues, expenses, gains and losses based on the existence or absence of donor-imposed restrictions. The Organization records contributions of cash and other assets as unrestricted income unless specifically restricted by the donor. Restricted contributions are recorded as an increase in temporarily or permanently restricted net assets, depending on the nature of the donor restriction. When the donor stipulation expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported as net assets released from donor restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that are expected to be met either by actions of the Organization and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that are required to be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2017 AND 2016**

D. Contributions are recognized as revenue when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts, if any, is included in contributions in the accompanying Statements of Activities and Net Assets. Conditional pledges are not included as support until the conditions are substantially met.

E. The Organization considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents.

F. Investments, beneficial interest in assets held by others and beneficial interest in remainder trust are recorded at fair value. Unrealized gains and losses are included with investment income on the Statements of Activities and Net Assets. Interest, dividends and gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by donors or by law.

G. Accounts and government grants receivable consists of government grants, program service fees and other receivables. Accounts receivable are recorded at the amount of cash estimated as realizable. The Organization provides an allowance for doubtful accounts based on the estimated collectability. When an account is determined uncollectible, it is written off to bad debt expense. Receivables are considered delinquent based on the contractual terms of the account. There was no allowance for doubtful accounts at June 30, 2017 and 2016.

H. Purchased property and equipment are recorded at cost, and donated assets are recorded at their estimated fair market value at the date of donation. Repairs and maintenance are expensed as incurred. Property and equipment are depreciated over the estimated useful lives of the related assets using the straight-line method. Estimated useful lives of the assets range from three to ten years. Leasehold improvements are amortized over their estimated useful lives or their lease term, whichever is shorter.

I. The Organization records non-cash contributions at their estimated fair market value at the date of the contribution. The Organization records contributed services as contribution revenue and as an expense if the services create or enhance a nonfinancial asset, or the services would (1) need to be purchased by the Organization if not provided by contribution, (2) require specialized skills, and (3) are provided by individuals with those skills.

J. The Organization recognizes program service fees and other revenues received prior to the year the service is performed as deferred income. Deferred income includes advance payments

on government and private grants which will be recognized when costs are incurred under the terms of the agreements.

K. The costs of providing the various programs and other activities are summarized on a functional basis. Accordingly, certain costs such as salaries and related benefits, office expenses, insurance, and other costs have been allocated among the programs and supporting services benefited.

L. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

M. Subsequent events have been evaluated by management through January 5, 2018, the date these financial statements were available to be issued.

**2. INVESTMENTS**

Investment income is summarized as follows for the years ended June 30:

Net realized and unrealized gain (loss)	<u>153,156</u>	<u>(116,683)</u>
Total investment income	<u>\$ 301,121</u>	<u>\$ 15,144</u>

**3. CONTRIBUTIONS RECEIVABLE**

recorded as a pledge receivable and contribution revenue as of June 30, 2017 and 2016. The second half of the allocation is considered by United Way of Metropolitan Atlanta as an intention to give and is contingent upon its collections. Accordingly, the second half of the allocation will be recorded upon receipt.

**4. BENEFICIAL INTERESTS IN ASSETS HELD BY OTHERS**

During 2011, the Organization established an endowment agreement with the Catholic Foundation of North Georgia (the "Foundation"). The Organization is entitled to receive distributions of income, subject to the Foundation's spending policy. This fund has been recognized as a beneficial interest in assets held by others in the accompanying Statements of Financial Position. The Organization received \$2,421 and \$1,900 in distributions of income from this fund during the years ended June 30, 2017 and 2016, respectively.

The Organization also has endowment funds with the Foundation that were established by donors to which the Organization is the beneficiary. The Organization is entitled to receive distributions of income, subject to the Foundation's spending policy; however, the Foundation has ultimate authority and control over the endowment fund. Accordingly, these endowment funds have not been recognized by the Organization in the accompanying Statements of Financial Position. The Organization received \$92,593 and \$92,882 in distributions of income from these funds during the years ended June 30, 2017 and 2016, respectively.

**5. BENEFICIAL INTEREST IN REMAINDER TRUST**

Temporarily restricted net assets include the Organization's beneficial interest in a remainder trust. This trust was established upon the death of a donor and is held and managed by a bank. Under the terms of the trust, the Organization will receive a lump-sum distribution upon the death of the lead beneficiary that is a percentage of the fair value of the trust assets.

**7. FAIR VALUE MEASUREMENTS**

Accounting principles generally accepted in the United States of America establish a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Level 1 within the hierarchy states that valuations are based on unadjusted quoted market prices for identical assets or liabilities in active markets. Level 2 within the hierarchy states that valuations are based on quoted prices for similar assets in active markets, quoted priced for identical assets in inactive markets or other observable inputs other than quoted market prices. Level 3 within the hierarchy states that valuations are derived from valuation techniques in which one or more significant inputs are unobservable. At June 30, 2017 and 2016, the only assets or liabilities that are measured at fair value on a recurring basis in periods subsequent to initial recognition are investments.

Following is valuation methodology descriptions used for assets measured at fair value:

*Cash and money market:* Valued at the amount payable on demand at the measurement date.

*Equities and exchange-traded funds ("ETFs"):* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds that are registered with the SEC.

**CATHOLIC CHARITIES OF THE ARCHDIOCESE OF ATLANTA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2017 AND 2016**

These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Organization are deemed to be actively traded.

*Corporate bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

*Beneficial interest in remainder trust:* Valued using the fair value of the assets held in the trust as reported by the trustee. Management considers the measurement of its beneficial interest in the trust to be level 3 within the fair value hierarchy because even though the measurement is based on the unadjusted fair value of the trust assets as reported by the trustee, the Organization does not have the ability to direct the trustee to redeem them.

*Beneficial interest in assets held by others:* Valued based upon the Organization's share of the Foundation's pooled investment portfolio.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of June 30, 2017:

**10. SIGNIFICANT SOURCE OF REVENUE**

The Organization receives a majority of its revenue from Federal, state government and other pass-through government agencies in the form of grants. These grants are either renewable on an annual basis or are one time grants that may be dependent on current and future economic and social conditions. Federally funded grants received either directly or indirectly accounted for approximately 35% of total revenue for the years ended June 30, 2017 and 2016. In 2017 and 2016, approximately 44% and 45% of the federal grants came either directly or indirectly from the U.S. Department of Health and Human Services, respectively, and approximately 29% and 30% of the federal grants came either directly or indirectly from the U.S. Department of State, respectively.

**12. CONCENTRATIONS**

The Organization maintains cash balances with a bank and a brokerage firm. Occasionally, these balances may exceed the insurance limits provided for by the Federal Deposit Insurance Corporation and the Securities Investor Protection Corporation. Based on the financial strength of the institutions, management believes the risk of loss is minimal.

**13. ENDOWMENT INVESTMENT FUNDS**

The Organization's endowment consists of the beneficial interest in assets held by others valued at \$16,832 and \$15,525 as of years ended June 30, 2017 and 2016, respectively. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity for a donor-specified period. As required by U.S. generally accepted accounting principles, net assets associated with endowment funds are classified and reported as permanently restricted based on the existence of donor-imposed restrictions. The Organization's beneficial interest in remainder trust is not included in the endowment.

The Organization has interpreted the Georgia Uniform Prudent Management of Institutional Funds Act of 2006 ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies the original value of gifts donated to the permanent endowment, the original value of subsequent gifts to the permanent endowment and accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund as permanently restricted net assets. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the Organization and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the Organization; and,
- (7) The investment policies of the Organization.

Endowment net assets, end of year	<u><u>\$ 4,582</u></u>	<u><u>\$ 12,250</u></u>	<u><u>\$ 16,832</u></u>

The following is the composition of and changes in endowment net assets for the year ended June 30, 2016:

	<b><u>Temporarily Restricted</u></b>	<b><u>Permanently Restricted</u></b>	<b><u>Total</u></b>
Endowment net assets, beginning of year	\$ -	\$ 12,250	\$ 12,250

Endowment net assets, end of year	<u><u>\$ 3,275</u></u>	<u><u>\$ 12,250</u></u>	<u><u>\$ 15,525</u></u>

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. In accordance with U.S. generally accepted accounting principles, deficiencies of this nature are reported as reductions in unrestricted net assets. At June 30, 2017 and 2016, no such deficiencies existed.

**CATHOLIC CHARITIES OF THE ARCHDIOCESE OF ATLANTA, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2017 AND 2016**

Based on the nature of the endowment, the investment of the Fund is determined by the Foundation rather than the Organization. Endowment assets are invested in a well-diversified asset mix that is intended to result in a consistent rate of return that has sufficient liquidity to provide the Organization income while growing the funds if possible. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed by the Foundation.

Once an aggregate of \$100,000 in cash or other assets has been contributed to the Fund, the Foundation may begin making distributions from the Fund. The amount distributable from the Fund shall be determined under the Foundation's governing endowment distribution policy. The decision to take the distribution or accumulate the income within the Endowment is determined by the Organization's management consistent with the previously discussed standards of prudence prescribed by UPMIFA. Amounts distributed by the Fund can be used by the Organization for operating purposes; however, consistent with UPMIFA and accounting principles, the Organization reflects all investment income changes in value of the donor-restricted portion of the Fund as temporarily restricted net assets until appropriated for expenditure by the Board of Directors (unless there is a fund deficiency as discussed above).

#### **14. RELATED PARTY TRANSACTIONS**

The Organization participates in a defined contribution retirement plan (the "Plan") which is administered by the Archdiocese and covers substantially all lay employees who are over 21 years old and have completed one year of service. Upon entering the Plan, the Organization funds 6% of an eligible participant's salary if the participant was employed for at least 1,000 hours during each Plan year. The Plan is totally employer funded and employees are not permitted to make contributions to the Plan. The Organization contributed \$135,791 and \$115,429 to the Plan during the years ended June 30, 2017 and 2016, respectively. The Organization has amounts payable to the Archdiocese related to these retirement contributions totaling \$131,946 and \$165,381 for the years ended June 30, 2017 and 2016, respectively.

The Organization's health, life and workers' compensation insurance are provided under the Archdiocese's insurance plan and are billed to the Organization. Expenses billed in the years ended June 30, 2017 and 2016 related to these insurance premiums were \$746,144 and \$621,193, respectively. The Organization has amounts payable to the Archdiocese related to these insurance premiums totaling \$22,303 and \$55,199 for the years ended June 30, 2017 and 2016, respectively.

The Organization invests excess funds with the Archdiocese in a Deposit and Loan Fund, which earns interest at a rate determined by the Archdiocese (currently 1.75%). The Deposit and Loan Fund receives funds from various schools, parishes and other related agencies and in turn loans funds to other schools, parishes and related agencies. The Organization's funds invested in

the Deposit and Loan Fund at June 30, 2017 and 2016 totaled \$381,690 and \$374,613, respectively.

During the years ended June 30, 2017 and 2016, the Organization received contributions totaling \$561,999 and \$562,000, respectively, from the Archdiocese to support operations.

The Archdiocese provides both the facility and utilities for the Organization's corporate office location. The value of the office space has been determined to be 6,739 square feet at \$14 per square foot. The total value of both the facility and utilities was determined by the Archdiocese to be \$121,302 during the years ended June 30, 2017 and 2016, and has been recognized as in-kind contributions on the accompanying Statements of Activities and Net Assets.

The Organization has a line of credit agreement with the Archdiocese that allows for borrowings up to \$500,000. The agreement has a maturity date of May 31, 2018 and interest accrues at a rate of 4%. In the event of default, the Archdiocese has the right to offset any outstanding amounts against their future contributions to the Organization. There were no outstanding balance for the years ended June 30, 2017 and 2016.

During fiscal year 2017, the Organization entered into a line of credit agreement with a member of the board of directors that allows for borrowings up to \$500,000 to fund a major donor event to be held by the Organization in fiscal year 2018. The borrowings accrue interest at a rate of 2%. The outstanding loan and interest is to be repaid with the cash receipts from the event in its entirety by December 31, 2017; otherwise, the lender will be paid with any future cash receipts received by the Organization for the major donor event within 10 days of receipt by the Organization. If receipts from the event do not exceed borrowings, the remaining loan balance will be forgiven by the lender. At June 30, 2017, the outstanding loan balance was \$151,766.

## **15. CONTINGENCIES**

The Organization is from time to time, subject to legal proceedings and claims that arise in the ordinary course of business. The Organization carries insurance coverage, subject to a deductible, for risks of loss. Management is not aware of any material claims that could have a material impact on its financial statements.

INDEPENDENT AUDITOR'S REPORT  
ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

To the Board of Directors  
Catholic Charities of the Archdiocese of Atlanta, Inc.  
Atlanta, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of the Archdiocese of Atlanta, Inc., which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 5, 2018.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

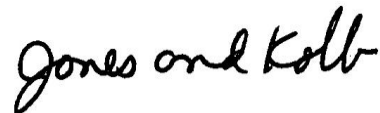

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Catholic Charities of the Archdiocese of Atlanta, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program**

We have audited Catholic Charities of the Archdiocese of Atlanta, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Catholic Charities of the Archdiocese of Atlanta, Inc.'s major federal programs for the year ended June 30, 2017. Catholic Charities of the Archdiocese of Atlanta, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Catholic Charities of the Archdiocese of Atlanta Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Catholic Charities of the Archdiocese of Atlanta, Inc.'s

compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Catholic Charities of the Archdiocese of Atlanta, Inc.'s compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Catholic Charities of the Archdiocese of Atlanta, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

### **Report on Internal Control over Compliance**

Management of Catholic Charities of the Archdiocese of Atlanta, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities of the Archdiocese of Atlanta, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
